BAHIA GOLFITO IS COSTA RICA'S HIDDEN GEM!

Bahia Golfito Marina is only a short 45 minute flight from San José (SJO) International Airport and a 5 minute courtesy shuttle. In fact, Bahia Golfito is far easier and faster to reach than better-known, overcrowded destinations in the north including Nosara, Santa Teresa, Tamarindo and Flamingo.

LIVE YOUR DREAM!

ONLY 40 WATERFRONT LUXURY CONDOMINIUMS!

ANCHORED BY A PROVEN BRANDED RENTAL PROGRAM

This limited number of residences will provide privileged owners with the opportunity to both enjoy their resort home when in Bahia Golfito, and to generate important revenue to offset costs while away.

An aerial photograph of a waterfront residential development. In the foreground, a wooden marina with several white yachts is visible. The water is a clear, vibrant blue. A sandy beach curves along the shoreline. Behind the beach, a row of modern, two-story villas with light-colored facades and dark roofs is nestled among lush green trees. Each villa appears to have a private swimming pool. In the background, a large, multi-story building with a blue and white facade is visible, surrounded by more greenery. The overall scene is bright and sunny, suggesting a tropical or coastal location.

ONLY 11 EXCLUSIVE BRANDED WATERFRONT VILLAS

In addition to our 40 condominiums, we will announce details in July 2023 about 11 spectacular one- and two-storey luxury Villas, each with private pool, to be located in a secluded waterfront area facing the Marina.
