WIRE FRAUD AND WIRING INSTRUCTIONS

Wire fraud is real. Don't let yourself be a victim. Large amounts of money are changing hands as part of your real estate transaction. This makes you a target for criminals who send emails to home buyers and sellers and their real estate or mortgage brokers with false wiring instructions. Instead of your money being sent to the proper account, it ends up in the fraudster's account. If a fraudster sends false information, and your money is wired to the account they provide, you may NEVER recover the money. Your money will be gone.

TLA is asking for your wire instructions since the beginning of the life cycle of your transaction to protect you from wire and cyber fraud. We will call to verbally confirm account details, and we will use these wire instructions to disburse funds to you from escrow. If we receive conflicting information at any point, we will contact you at the phone number provided in this KYC form.

WIRE INSTRUCTIONS

Please fill out the requested information, and funds will be deposited directly into your account.
